Operating profit

The abridged financial statements for the first quarter ended 31 March 2019 are unaudited. The accounting policies and standards used in the preparation of these abridged unaudited financial statements are consistent with those used in the audited financial statements for the year ended 31 December 2018. The effect of IFRS 16, which is effective 01 January 2019 is still being finalized and is not reflected in this interim report.

COMMENTS

2. General Comments

During the first quarter of 2019, our main tourist destinations saw mixed performances. Tourist arrivals in Mauritius decreased 1.2% from 356,415 to 352,305. Seychelles and Maldives had double digits growth from 91,690 to 101,514 and from 420,103 to 482,978 respectively.

3. <u>Results</u>

The Group's performance was lower than last year's due to decrease in tourists arrivals in Mauritus coupled with persisting tight competitive conditions in Maldives. On the other hand, our properties in the Seychelles fared well.

Combined occupancy of all hotels, owned and managed, decreased slightly from 74.0% to 73.4% with marginal decreases in RevPAR and TrevPAR.

Consolidated revenue of the Group for the first three months of 2019 was MUR 1,200 million (Mar-2018: MUR 1,309 million). This generated an EBITDA of MUR 471 million gainst MUR 527 million for the same period last year and represented an EBITDA margin of 39% and 40% respectively. As a result of enhanced performance of its Seychelles and Madagascar properties, share of profit from associates reached MUR 29 million (Mar-2018: MUR 26 million). Both finance costs and taxation for the first quarter 2019 were in line with that of 2018 and stod at MUR 80 million and MUR 6 million respectively.

Profit for the period was MUR 281 million (Mar-2018: MUR 330 million).

Operational performance of all hotels owned and managed for the quarter ended 31st March

EBITDA/EBITDA marain for quarter ended 31st March

4. <u>Outlook</u>

We are approaching the low season in Mauritius and Maldives, where we anticipate a slowdown in bookings and the shoulder season for Seychelles, where we expect good growth.
